Dear Ms.Caselton;

I am writing in support of the Columbia Slough Watershed Council's project application for development of the Columbia Slough Water Trail landing at N. Denver Avenue.

The Columbia Corridor Association represents 2500 businesses employing 60,000 individuals along the south shore of the Columbia River. Many of our members have businesses that border the Columbia Slough.

The slough is a unique resource in the midst of an industrial area. While it is home to many forms of wildlife, access is poor. The Watershed Council's proposal is a rare opportunity to make this resource more accessible to the local communities.

We urge you to fund this project.

Sincerely,
