

Join us to learn about the MT E-Cell Delivery Van & Test Drives

Hosted by Portland General Electric

Are you interested in having EVs in your fleet? Preview the future of vehicle transportation with the introduction of the MT E-Cell All-Electric Delivery Van. This all new delivery van combines modern aerodynamic styling with a range of up to 100 miles and functionality of a traditional walk-in van.

We would like you to attend a presentation by Michael Stark, Senior Technical Sales Manager for Freightliner and test drive this ground breaking vehicle on **Tuesday, May 17th at the World Trade Center**. You may still sign up for a test drive even if you cannot attend the presentation.

Location

Two World Trade Center, Flags Room (Street Level, facing Front Ave)
121 SW Salmon St., Portland, OR 97204

10:30 a.m. – 11:30 p.m.
11:30 a.m. – 4:30 p.m.

Freightliner presentation & discussion, Q&A
Test Drives
